Village of Castleton-On-Hudson Zoning Map

Note: Special Flood Hazard Areas (100 year) and 500 year flood zones based on Q3 Flood Data provided by Federal Emergency Management Agency (FEMA). The digital Q3 Flood Data is designed to provide guidance and a general proximity of the location of Special Flood Hazard Areas. The digital Q3 Flood Data cannot be used to determine absolute delineation of flood risk boundaries, but instead should be seen as portraying zones of uncertainty and possible risks associated with flood inundation. Q3 Flood Data does not replace the existing hardcopy maps.
